**East Windsor
Community Day
May 13, 2006**

The East Windsor Community Partnership for Education volunteers presents the **EIGHTEENTH East Windsor Community Day** event! The funding for this year's event is due to the initiative and generosity of the following major sponsors:

- ❖ *East Windsor Lions Club*
- ❖ *East Windsor Chamber of Commerce*
- ❖ *Matt Crossen of Crossen Auto*
- ❖ *Dave Richards of Sentry Real Estate*

The Committee is planning a day of activities and demonstrations aimed at preventing substance abuse and encouraging community awareness and involvement.

The day will be kicked off by an early morning parade with the theme "**Healthy Lifestyles**". We invite your organization to participate. You may enter a vehicle, a float or participate by marching in the parade. The parade route will follow Tromley Road to the E.W. High School, where the days' activities are taking place.

The "**Community Expo Booth**" areas will provide the occasion for clubs, businesses, schools & other local agencies to present products, services & opportunities available in East Windsor. We welcome your organization's participation! Additionally, crafters will display and sell their wares at the Community Expo and local restaurants will be invited to participate in a "Taste of East Windsor". Your participation is needed to make our day a successful town-wide event.
