~~~~~

Five Corner Cupboard Food Pantry is looking for mature, committed and responsible volunteers. Duties include (but are not limited to) assisting clients with shopping and getting their groceries to their vehicles, stocking shelves, sorting and storing donations, unloading of donations and purchases from trucks and other vehicles, general cleaning inside and yard care & maintenance. Ability to lift 35 lbs is a plus, but not necessary. We have lots of laughs and feel great at the end of the day!
